

AARON AWARD

Annually, the Christian Council on Persons with Disabilities recognizes an individual who works behind the scenes of disability ministry. These unsung heroes are not often seen "out front." They are the prayer warriors, cake bakers, van drivers and table setters. They support, encourage and build up disability ministry in ways not often seen by the public, and too infrequently recognized for their importance.

Now's your chance to shine the spotlight of gratitude on the person who helps your ministry be all God intended! Fill in the information requested, and mail this form to:
